

THE **PROGRESS REPORT**™

FROM THE FACILITATORS OF PROGRESS CONSULTING - (905) - 717 - 3242

**“How can a group of dedicated executives
with individual IQs of 120
have a collective IQ of 63?”**

Peter Senge, author
The Fifth Discipline

Perhaps because they lack the process and expertise to realize their potential *as a team*. The facilitators of Progress Consulting dedicate themselves to learning and practising techniques for realizing group potential and optimal organizational performance.

We guide:

- ✓ Boards
- ✓ Executives
- ✓ Task Forces
- ✓ Work Teams
- ✓ Strategic Planning Processes

The results? Expanded market share. Improved financial results. Better morale. Enhanced quality of work life. Your Mission accomplished!

To learn how a Progress Consulting facilitator can provide your organization with “a collective IQ” of 120 and beyond, contact...
